In the morning, we will conduct the flag raising ceremony commemorating the seconds of proclamation in the front yard of the tourist accommodation. The significance of this activity is as a form of respecting the heroes at the same time we continue instilling a sense of nationalism to all employees of this Hotel.

Similar activities performed by employees and staffs by conducting several traditional games like eating crackers or *bakiak* race in the afternoon alongside the beach. The event is not only dedicated for the employees, but the guests staying at the hotel may also be participating.

Continuing the exhilaration, the festivities invite the guests to encounter a variety of mouthwatering stations at Senja Lounge and Dine.
